Last Christmas Eve, a strange unshaven man smelling of sherry tried to creep up my chimney. It was my boyfriend coming home from his works do at three in the morning with mistletoe sellotaped to his flies – he's a class act, don't you know! Judging by the bathroom the next morning, he'd let a team of reindeer in as well. He'd better make it up to me this year! Happy Xmas to all our readers!

Blue movie got me red hot

After a good session of drinking and porking, my boyfriend and I decided to watch a porno. The film was an excellent one with some really hot girl-on-girl action.

I had never admitted that I would be interested in sex with women, but watching the film had made me so horny. It made me hungry for pussy and I felt I had to tell him.

So during the film I told my boyfriend that I wanted to lick pussy. He was surprised and delighted, judging by the big stiff cock that appeared.

I went down on him, sucking hard as I took him deep in my throat and licked his hard cock from top to bottom. I showed him what I would do to a girl's love bud with my tongue, flicking it over the end of his cock.

As I tasted pre-cum glistening on the end of his knob, he asked me if I wanted a girl to lick and suck my clit. I moaned at the thought of a girl's tongue licking me.

I felt so excited I wanted to feel my tits rubbing against hers (whoever she might be). I wanted to pour baby oil between them and slide up and down her body, licking and kissing all the way.

"He thrust the vibro into my pulsating hole alongside his cock"

I wanted my boyfriend to watch me go down on her and fuck me from behind while I lapped at her beautiful sweet pussy.

At the thought of this my boyfriend threw me off and turned me over, pushing his stiff cock into me from behind. I was so wet and ready for him.

As he pushed stridently in and out of me, my body was trembling with the thought of pussy on my face. He slapped my arse and called me a dirty little tart. I asked him if he was glad I was and he shouted his approval. He reached for my favourite vibro and thrust it into my pulsating hole alongside his cock.

I squealed with delight as I imagined I had two cocks

STIFF UP HER LIPS!

We got a bit sick of seeing "Keep Calm and Carry On" emblazoned on tea towels and T-shirts everywhere over the last couple of years, but we're coming round to the idea now it's leaked into the pornosphere. Ava Dalush keeps calm and carries on fucking in this jizz-packed release from Private (also featuring Anissa Kate and Janissa Jae) – conversely you're likely to be a gibbering wanking wreck. Also includes a fifteen-girl orgy unlikely to keep your blood pressure low. We didn't think we could ever have enough pussy, but this scene alone has satiated us... for a couple of hours at least!

inside me. As it buzzed his dick pushed deeper and deeper inside me.

He said he wanted to fuck me from behind while I sucked another man's cock. I felt so horny and naughty relishing the thought of having another man's cock in my mouth.

His cock slid in and out until we both reached an orgasm that made me cum like I never had before. I was still hungry for more, so he turned me over and went down on me.

He moved his tongue over my lips and as it danced over my clit he told me that was what I wanted a girl to do.

I wanted his cock in my mouth again so we moved into a sixty-nine and licked and sucked until I came all over his face.

He took his cock from my lips and shot out hot creamy cum onto my tongue and all over my face.

I was so excited to have finally shared my fantasy with him. We were so turned on by our revelations that we picked up our favourite copy of *Razzle* and looked at the pussies I wanted to lick.

As usual there was a luscious selection. The thought of it made my clit twitch in anticipation of feeling that soft pussy with my lips and tasting it with my tongue.

It soon had me frigging my pussy. My fingers were a blur as my pussy came and came again at the thought of all he dirty things I wanted to do.

We decided to send in some pics and share our fantasy with *Razzle* fans. We can't wait to hear from all you dirty readers who can maybe make our fantasies come true!

Jessica hasn't bothered with a tree this year – she's more into festooning her own luscious body. "I've got a nice set of baubles and plenty of tinsel. I could do with some fake snow though. Do readers have any wet white stuff they would be happy to decorate my boobs and bum with? Oh, you do, that's great!"

This sweet treat Candy might not make your teeth rot, but she's causing our cocks to experience what feels like a hell of a sugar rush. "I've never met a cock I didn't like. The third guy, not wanting to be shown up in front of his mates but not having any cash on him, thinks for a moment before getting a brainwave. He walks over to the stripper, gets out his bank card, slides it right down the crack of her arse and takes the £70.

TRUE CONF

ACTRESS ZOE RECEIVES AN AROUSING RECEPTION FROM HER CO-STAR

Since starting uni last year, I've somehow managed to rack up a massive amount of debt and have had to get myself a part-time job. As a result, I have been coming home at weekends to work in my local theatre. The money's not amazing, but it's pretty good fun – I get to meet a few minor celebs and hang out with the cast of each production.

The latest travelling company was a really young cast, who were putting on some kind of comedy production of 'Hamlet'. However, these were no serious actors; they were all clearly just up for having a laugh and a good time, with the odd bit of acting thrown in! The blokes were all quite flirtatious anyway,

but one guy in particular had been chatted me up outrageously on a Friday night out, but I'd managed to hold myself back from succumbing to his charms as he was too drunk to know what he was doing. I may have fancied the arse off him, but I do still have a few standards!

"I ENJOYED FEELING HIS WET DICK PULSE INSIDE MY PUSSY"

The next day, I was watching the matinee performance from the wings, and was stood leaning against the wall as the same guy, Aaron, brushed past me making his way to the stage as Polonius. "I've got something for you afterwards," he whispered in my ear, and then turned back to grin at me. I knew exactly what he was hinting at, and my pussy tingled with excitement as I watched him perform from the wings, knowing that this was his final scene of the play.

As soon as he exited the stage, instead of waiting around in the dressing room with the rest of the cast as he was supposed to, he grabbed my hand and led me in the other direction. I was a willing captive as he dragged me straight into the men's toilets, which happened to be one of the doors closest to the stage. Kissing me passionately, he steered me into a cubicle and locked the door behind him. It was so smooth, I almost wondered if he made a habit of this sort of thing! It was faintly

FESSIONS

ridiculous as I yanked his heavy antique shirt from out of his pantaloons, reaching through layers of material to get at his dick! With it firmly in my grasp I happened to glance up at him, only to see that he was still wearing his wig! We giggled to each other as he realised and snatched it from his head, and we got down to the serious business of me sucking his prick.

I love to give blow jobs, and Aaron had a nice fat cock that made me stretch my mouth wide around it. I slurped and sucked before slowly licking his length and concentrating my tongue on his bulbous helmet. Holding the back of my head, he started fucking my face, letting me know that he had been thinking about this since the night before.

Wearing a skirt, my knees stung the cold hard floor as I slurped his length down my throat, but the pain just added to the experience. I moaned as I felt his end hit the back of my throat, my eyes watering as I tried desperately not to gag. Damn, it was horny! He was obviously in danger of shooting his load, so he lifted my head gently from his dick and held out his hand to help me up. I was touched by his chivalry!

Getting to my feet, I had barely lifted my skirt up to expose my knickers before his hand was in there, rooting around. Did I say chivalrous? Two of his fingers felt around before being pushed deep inside my fanny, and I squeezed my muscles around his knuckles so they were tight inside. He rubbed my clit with his thumb and he worked up a steady rhythm of fingering me and frigging me, simultaneously.

When I knew I was lovely and wet, I yanked Aaron's hand from between my legs. Taking hold of his dick, I gently pulled him towards me until my back was against the cubicle door. Cocking one leg up, he crouched down slightly to better position his swollen cock-head at my entrance.

Sinking down over his full length felt exquisite, and I knew I wanted to savour that feeling. I rose up slowly until his length almost slipped out, then drove my pussy back down on to it hard. Aaron let out a low groan and I knew it felt as good to him as it did to me. I continued to do this, enjoying feeling his dick pulse inside me as I tightened my pussy muscles around him, fully aware that he was desperate to pop his seed.

After a couple of minutes of me teasing us both like this, he eventually took control again, grasping my arse in both hands and cradling my thighs with his elbows, lifting me off my feet. The cubicle was creaking loudly as he pumped his rod into me quickly, then thrust more deliberately for the final few times. I felt his hot spunk spurt inside me, and fingering my clit frantically, I managed to time my climax to perfection, our juices mingling together inside my cunt.

With my final shudder, I suddenly panicked to hear a huge round of applause from the audience – obviously to signal the end of the performance, but the timing was impeccable! I expected him to be in a hurry to get out of there, however, he kissed me on the mouth and cheekily asked, "Do you think that was for us?"

Full marks for lesbian sparks

I've had a few lezzie experiences. Everyone has these days, haven't they?

One time I was doing some revision with my mate Amy. I've already said she was a slag, but I also knew she was bi. She often told me about it, and when she did I found it turned me on.

Anyway, we were both in my room curled up in my duvet on my bed with a couple of mugs of tea and mounds of notes. We were only in our night stuff and it was impossible not to recognise the sexually suggestive nature of the scene.

Amy must have read my mind, because without warning she reached over and put her hand on my pussy. I was half expecting it, and I let her do as she pleased. I closed my eyes as she began to gently rub my pussy through my long T-shirt.

I sighed as she raised my T-shirt slightly to reveal my clean-shaven cunt. She leaned across to kiss my lips, moving her hand down to stroke my silky mound as she did.

Her hot breath and her soft lips against mine were a real turn on. I kissed her back and felt my way to her tits. I rubbed them through her shirt, thrilling at the hardness of her nipples.

Taking the lead, I lifted her T-shirt over her head to reveal the slope of her full breasts. I moved my mouth down to her milky-white orbs, closing my lips over one of her hard nipples. As I sucked she sighed and deftly removed my T-shirt without hindering me.

Then Amy wriggled free and told me to shut the door. I did so, and when I turned back she had positioned herself on her back on the bed with knees bent and legs spread. She clearly fancied a sixty-nine – wicked girl!

I clambered over her and my pussy hovered over her face. Soon her clever tongue was darting all over my cunt. She seemed to know exactly how and where to touch me to drive me wild. I returned the favour,

burying my head in her sweet, smooth cunt.

It wasn't long before Amy had given me a brilliant orgasm with her snaking tongue. All the while she used her hands to supplement her tongue, either teasing my nipples or stroking my clit as her tongue explored me. I tried my best to give her equal pleasure, but a lot of the time I was moaning aloud or crying out uncontrollably. The pleasure was different to anything I'd experienced before, partly because I was so aware that it was a girl who was giving me such pleasure.

We ended up collapsed together in a sticky, sweaty heap. It was a great introduction to lezzie sex and since then Amy and me have had some good sessions, including one fantastic foursome. My student days will soon be over, but I don't think that will stop me getting around as much as I have done! Here's fingers crossed, anyway!

I struck rude oil with escort

"As she kissed me, I trembled at the thought of her tongue in my pussy"

When my boyfriend and me are feeling kinky we pick a fantasy from a list we have both created and carry it out.

Just a few weeks ago we successfully achieved another one from the list. We returned home from our local pub feeling tipsy, horny and definitely not tired.

We checked our list of fantasies and saw that next up was a threesome with a woman. We decided to move onto the next one because we couldn't think how to achieve it just then.

But then I noticed a copy of *Razzle*, which gave me an idea – call an escort. Looking through the paper, I finally found someone local, available and bisexual.

I got out my double ended dildo and strap-on vibrator and within half an hour she arrived. We told her we'd never done this before so to take it slowly at first.

She started stoking my legs, her other hand sliding down the straps of my dress to expose my breasts. She bent down and flicked her tongue over my hard nipples.

I looked across the room to see my boyfriend sitting there naked with his huge cock in his fist. The escort had a good long tongue. As she kissed me I trembled at the thought of her fucking my cunt with it.

I lifted up her lacy dress my mouth found her breasts. I made sure my man could see me sucking her nipples. I invited him over and we took on a tit each, teasing them with our tongues.

I'd always wondered

WorldMags.net

visit www.paulraymond.com

"With every shunt of the strap-on from her, he pushed his cock deeper inside me"

what it would be like to fuck a bird with my tongue, so I pulled her round into the 69 position. I eased her lips apart as she licked my bald cunt out.

I gently began licking her out and stroking her clit. I pulled the escort some oil.

I told her to fuck his arse while he fucked me. I loved watching his face as with every shunt of the strap-on up his arse he pushed his cock deeper inside me.

We fucked in every way

my boyfriend closer and guided his fingers to her cunt. He slid his finger in alongside mine and we fingered her.

I decided it was time to give her the strap-on. I made her fuck me while my boyfriend held my legs in the air and fucked my mouth with his cock.

I enjoyed her fucking me, but now I needed my man's big hard cock. I got him to lay on top of me missionary style. As he thrust inside me I passed possible for the best part of an hour. My boyfriend and me were both nervous yet excited by what we were doing it – it was so horny!

I wanted to end the session cumming with my man. I pulled him on top of me and he started driving inside me while the escort watched and wanked with a dildo.

My legs started shaking uncontrollably and I was screaming, panting and raking his back as my orgasm hit me with a hot rush.

My orgasm triggered his, his cock hardening and cum firing deep inside my cunt. The escort was really turned on by the sight of us fucking and she came too.

The next fantasy on our list is for me to appear in *Razzle* and have loads of men and women cumming over pictures of my cunt.

I've already got my plane ticket booked and in a few months, when term ends, I'm heading for cute girl central – Marbella. It's the wildest place I've ever been! Everybody thinks Ibiza is still the place to go, but Marbella has been the place where seriously horny student girls take their summer hols for a while now, and if last year was anything to go by, this is going to be one helluva party!

If you need an example, how about this one: three chicks, one bed, a bottle of expensive champagne, and me. Holly, a redheaded philosophy student, was teasing me with a sexy strip, while her blonde friends Tina and Jodie made out on the bed. I guessed they'd played around

with each other before, as none of them batted an eyelid at the unfolding scene and they were really getting into each other. For a while I just kicked back and jerked myself off, slowly and deliberately, not wanting to get too worked up too soon. Plus, I hadn't exactly been invited to join in yet! Tina and Jodie were still at the kissing stage, so I watched Holly bend over and pull off the tiny bikini bottoms that she was barely wearing! Oh man, what a beautiful-looking pussy! Being a natural redhead she'd done the decent thing and shaved her fur totally off. It was all smooth, pale and peachy, just like her ass, with these little pussy lips just peeking out. She seemed happy dancing around, which suited me, as I wasn't ready to dive in there yet. Without taking my eyes off Holly, I rang room service and ordered a couple of bottles of champagne and some chocolates. To hell with it – I figured my allowance for next term would cover the cost. I mean, how often does that scenario really occur in a man's life?

When it arrived, I popped the corks and made a toast, "To fizz, fucking and Marbella!" The girls giggled then Tina grabbed my hand, pulling me towards her as she lay back on the bed. I took a swig from my glass, and obliged her. Holding the champers in my cheeks, I pulled down Tina's knickers, parted her legs and dived in with my mouth. I opened my lips the second I made contact with her hot little cunt; the champagne mixed with her pussy, and I kept it from dripping down by locking on to her furry cup like a limpet. Tina juddered as the cold bubbly fizzed on her skin. I slipped my eager tongue into her juicy hole. I could tell what kind of effect it was having, as her nipples suddenly went rock-hard, and her pussy muscles gave a horny little twinge around my mouth.

Joking around, the other two girls soon stripped each other off and got on the bed beside Tina, waiting for their turn. I reached into the ice bucket, pulled out two frozen cubes, and teased them around the clit of each girl while I sucked away between Tina's legs. A few seconds later I pushed an

ice cube up into each of their warm pussies, enjoying their shrieks. I'd heard about this 'hot and cold' thing you can do when you're fucking, and I figured I'd never get a better chance to try it. One of you has to warm your genitals up while the other one cools theirs down. When you stick your dick into the girl's pussy, the difference in temperature is meant to feel phenomenal. I jerked myself for a second or two just to give myself extra warmth, and then opened up Holly's flaps and drove my dick home. She squealed and thrashed about on the bed like I'd never experienced! The ice cube soon turned to water, leaving sexy damp patches all over the bed.

I thrust in and out of her for a while before I thought to try the same thing with Jodie, but her ice cube had already melted in her hot little cunt, so I grabbed a new one while telling the slut to get on all fours. She pulled her cooze lips apart for me, but I had another idea. Taking the champagne bottle, I poured some down her arse-crack. It followed her butt contours, pooling around her arsehole before running further down to her pussy opening and then dripping onto the bed.

"The ice cube had already melted in her hot little cunt, when I told her get on all fours"

Tina saw what I was doing and angled herself underneath Jodie, so that she could drink the champagne river up – such a filthy sight! I handed the bottle to Holly and asked her to pour once I was inside Jodie, then I pulled apart her buns and thrust that ice cube right up her brown eye! Before she had time to squeal, I followed it with my dick, causing her to buck around. We were sure making some cocktail – my cock, her tail and a touch of ice!

Holly started pouring the champagne over Jodie's butt while Tina lapped it up. The champagne coated my dick as I pulled it back, then got pushed up Jodie's arsehole as I thrust inside her, and when I made contact with the ice it felt like fireworks were going off! My spunk felt hot, her ass felt cold and the champagne made everything kind of fizzy. It was an awesome experience – one I'll never forget!

The bad news was that the girls left Marbella to head home the next day, so I decided to join my college mates taking it easy, drinking by the pool and checking out hot babes passing by.

My friend Rupert caught the eye of a really cute-looking brunette who, he told me he'd seen around but hadn't gotten around to talking to yet.

She smiled at both of us and settled on a sun-lounger across the pool from us. Rupert tried comically to mime the act of putting on sun lotion and then pointed at our new friend. She got his meaning and smiled again, picked up her bottle of lotion and squirted it seductively all over her chest, before slowly rubbing it in, teasingly putting her hand down her bikini bottoms and pulling a naughty face. The couple sitting nearest to her got up and left, so I pointed to the loungers and to us. Our sun-worshipping babe nodded, so we rushed over. There was still a distance between our new seats and the girl, so we maintained the miming communication, as it was kind of fun and it was making her laugh. We even managed to work out what she wanted to drink, and got the waiter to take her one over. I don't know whether she was grateful for the drink or just feeling saucy, but she rolled over onto her front and undid her bikini top. It looked to everyone else like she was just sunning her back without a tan line, but then she smiled and rolled towards us ever so slightly so that we could just see a hint of nipple. She tweaked it and licked her lips. I put my hand on my dick, over the top of my shorts and she licked her lips more deliberately. I rubbed up and down my bulge once while looking her straight in the eye. She did the same to herself. Rupert mimed for her to pull her panties aside, but she looked around at the busy pool and coyly shook her head.

Then I guess she had an idea. She wrapped her towel round her and smiled. She wiggled around a little and the next thing I know is that her bikini bottoms fly over to where Rupert and I are sitting. We couldn't believe our luck! There was a little patch of white girly cum on them, which Rupert licked off theatrically. Then the girl opened her legs. The towel hid her delights from everyone else, but we could see everything! What a view – and I didn't mean the ocean! As she opened her legs wider still, her cunt lips parted and we could see into her pink little hole.

It was too much. I mouthed my room number at her and made it clear that she understood before Rupert and I left the pool and went up to my room. A couple of minutes later there was a knock at the door. Rupert opened it and there she was, with her finger on her lips in a kind of 'shut up and both fuck me' pose. So we did – one of us at each end! Rupert got her cunt while she put her sweet pink lips around my meat and sucked me off. Then we swapped around. It was pretty odd fucking a girl in front of a friend of mine, but it made what she was doing even nastier, and I got off on the fact that most girls wouldn't act like she was. Rupert got to pop in her mouth while I filled her cunt up with my seed – she was overflowing from both ends. Rupert even managed it again, taking her up the arse while I contented myself sucking on her tits.

When I asked her name, she smiled and shook her head, before leaving the room. Another gorgeous babe who was up for a great time, but didn't expect an engagement ring! You can see why I plan to go to Marbella lots more before I settle down!

The only thing we have to fear is beer itself. "I've got a bit of a hangover," confesses Kelly. "I'm usually quite shy about expressing my sexual needs, but booze helps me get out of myself. And out of my clothes. I woke up this morning in handcuffs, with a butt plug, gooey with spunk!"

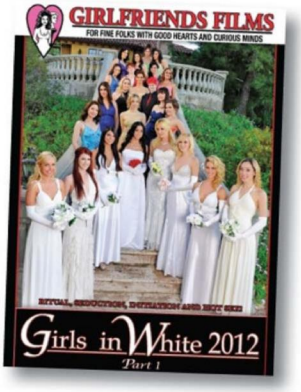
Movies For The Missus...

Girls In White 2012 Part 1



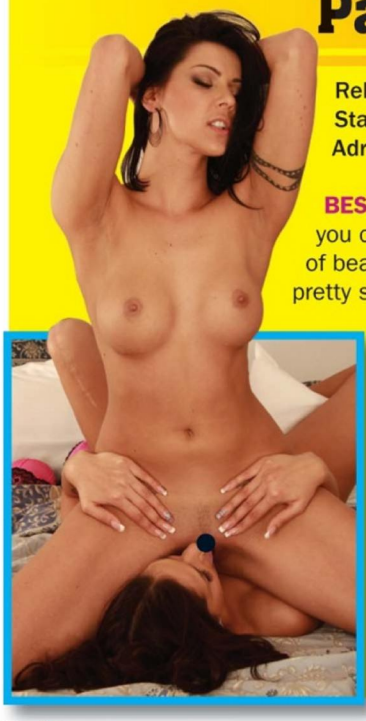
Released by: Girlfriends Films (2012)
Starring: India Summer, Dana DeArmond, Dani Daniels, Cassandra Nix, Zoey Holloway, Syren De Mer, Angela Sommers, Cherie DeVille

BEST BITS: Girlfriends Films have made a huge name for themselves by making 'real' lesbian porn that features actual lesbians (often casting partners of the stars themselves) – the result being some pretty fucking hot chemistry on-screen. But just because GFF are the leaders in porn for women, it doesn't mean that us blokes won't enjoy it. The *Girls In White* series has been around for yonks and the format hasn't changed – sexy cougar seduces young, hot bean-flicker – but, as they say, if something ain't broke, don't try to fix it. There isn't a weak moment in the movie, however the delectable Dana DeArmond and newbie Angela Sommers' bedroom romp (*left*) shines, with the apparently nervous youngster being overcome with lust as the chemistry between the two heats up.

WORST BITS: There are only four scenes on offer here, they all take place on a bed, are all romantic and dreamy, and all are simple girl-girl pairings. As much as you may enjoy watching lesbo fucks, there are only so many you want to watch in a row. Variety's the spice of life, don't you know...

DVD FEATURES: A short featurette of the GFF stars, promo reel, trailers.

Passion



Released by: Viv Thomas (2013)
Starring: Cindy Hope, Zafira, Paige Turnah, Samantha Bentley, Nicole Smith, Adriana Rouso, Cipriana, Sabina Taylor, Sophie Lynx

BEST BITS: If you think your wife has more of a penchant for lesbian grot, you can do no better than Viv Thomas' work. With the usual high standard of beautiful Eurobabes, the five scenes that make up *Passion* contain some pretty sexy rug-munching action and kissing so sensual that you know the girls' chemistry is real.

WORST BITS: Not the best VLT production we've seen, unfortunately. Every scene is a duo and it would've been nice to see a threesome, if only for a bit of variation. Plus, not one single toy was used throughout – a strap-on wouldn't have gone amiss – and there's only so much that fingers and tongues can do!

DVD FEATURES: Trailers.

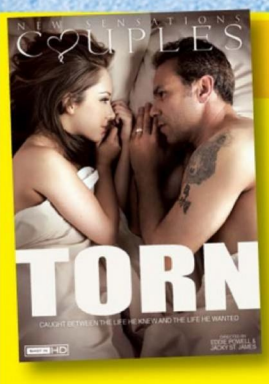
OOOAAR!



Torn

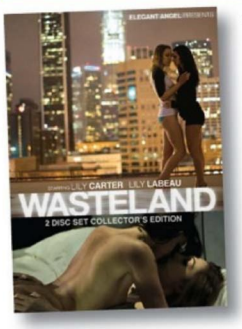
Released by: New Sensations (2013)
Starring: Remy LaCroix, India Summer, Raylene, Samantha Ryan

BEST BITS: As a movie written and made with couples in mind, this multi-award winning blockbuster is a must. The plot – which sees a married man embark on a passionate affair with the younger, and extremely hot, Remy LaCroix – flows seamlessly and is more than enough to keep your woman's loins stirring, but isn't so prominent that it's a turn-off to us blokes. The acting is excellent, the sex realistic and graphic enough to keep you both interested.

WORST BITS: If you're into gritty or acrobatic sex, you'll be sorely disappointed with this romantic tale of forbidden love. Also, it may not be a very good idea to stick this on if you're cheating. Just saying...

DVD FEATURES: A 30-minute behind-the-scenes featurette, eight trailers.

4.5/5



Wasteland

Released by: Elegant Angel (2012)
Starring: Lily Carter, Lily LaBeau, Liza Del Sierra, Tiffany Doll, Sarah Shevon, Proxy Paige, Daisy Sparks

BEST BITS: High-end feature porn at its very best. The storyline is simple but effective: two friends, played by the stunning Lily Carter and equally-beautiful Lily LaBeau (*below*), reconnect after five years to find they have both changed, but become (very) close through a series of sexual exploits. The acting is of the highest calibre, the script is interesting and the sex is consistently high-energy and varied. As well as erotically intense lesbian trysts between Lilly L. and Lily C., there's a fierce final orgy including six guys and Lily Carter being made airtight. *Wasteland* really is one of the best feature pornos we've seen, full stop.

WORST BITS: None. Really, none.

DVD FEATURES: BTS featurette, interviews, deleted scenes, awesome bonus scenes. podcasts, trailers...
